

SOUTH DAKOTA SCHOOL OF MINES AND TECHNOLOGY

Policy Manual

SUBJECT: Information Technology Services Governance

NUMBER: Policy VIII-03

POLICY

ITS provides computing, networking, and other technology enhanced services to the SDSMT community. ITS endeavors to balance freedom of access with a safe and secure environment for our constituents. Director of Information Technology Services will by regular monitoring the usage of computing, networking and other resources and services maintain compliance with rules, regulations and procedures mandated by the federal and state governments, Board of Regents and SDSMT.

PURPOSE

South Dakota School of Mines and Technology (SDSMT) Information Technology Services (ITS) Mission Statement.

SCOPE

All computing and networked systems controlled or managed by SDSMT ITS and all SDSMT personnel (faculty, staff, students, volunteers and guests).
