

## **Steel Boats and Iron Men: The Sinking of the Edmund Fitzgerald and the Lore of Ore Boats.**

**Join Dr. Dreyer as he talks about the famous sinking of the ore carrier Edmund Fitzgerald and why the big lake boats that ply the inland seas are so near and dear to thousands of “boat nerds.” He will discuss the “Fitz” and some of the mysteries that still surround her sinking as well as other wrecks, including more contemporary boats. Dr. Dreyer will also share a few recipes from the galleys of the boats for you to try at home!**
